## CURRENT RELEASES

### LUBANZI CHENIN BLANC

100% CHENIN BLANC, W.O. SWARTLAND

A light & refreshing Chenin, full of stone fruit character, such as white peach & apricot, along with notes of green apple and citrus. Herbaceous Notes carry in the background, along with an elevated acidity and full, round mouth-feel.

### LUBANZI RED BLEND

SHIRAZ/MOURVEDRE/GRENACHE

A soft, rhone style blend of Shiraz, Mourvedre & Grenache. There is red fruit, mulberry & spice on the nose. The palate is clean and fresh, with a character similar to the nose, along with black fruit & white pepper. The wine finishes with a supple, soft texture and an elevated touch of acidity.

### LUBANZI ROSE BUBBLES

100% CINSAULT, W.O. SWARTLAND

A fresh take on sparkling rose, made from old bush-vine cinsault. A light effervescence introduces pink dusty strawberries, lemon, honeysuckle and a mineral, pebble like finish. Moreish, welcoming and your new best friend.
